

## CLUBS

### ECO CLUB

**“A wise step  
For a blooming environment  
For a sustainable living  
For an everlasting smile”**

In smiles Eco Club we preach the public to save and take care of the environment. We go for rallies to create awareness among the public emphasising the importance of saving earth. We also conduct debates and seminars on understanding the environmental crisis and also analyzing the suitable prevention measures. We conduct group activities and tasks to make everyone at the school understand the importance of natural resources. We teach them the importance of the sustainable living condition on earth, where

we can live a happy and healthy life. We empower students to participate and take up meaningful environment activities and projects. We also create ecofriendly environment at the school like reducing wastage of food, avoiding plastics, reducing the use of meat products and so on. We make important measures to keep our earth green.

## CULTURAL CLUB

**“Exalt Culture,  
Explore Art,  
Enjoy Music,  
Enact Reality,  
Enlace Life!”**

In Smiles Cultural club we give equal opportunity for children to familiarize with art and culture. We promote likely opportunities for students to participate in drama, art, music, dance and photography. We tend to bring out the creativity of students which are buried inside them. We also make students aware of their own talents and channelize it in the right path. We make students socialize by getting rid of stage fear, hesitation and doubt in themselves. We aim to encourage student’s interest, participation and responsibility in the fields of creative arts. We develop, via cultural, student’s self-confidence, boldness and kindle their joy for music, dance and other fine arts. We encourage the students to be innovative by conducting competitions both inter/intra.

## LANGUAGE CLUB (TAMIL/ENGLISH)

**“Make a difference with beautiful thoughts and effective expressions”**

With the help of Language club, we render assistance to students to speak and to communicate through language in casual settings. We create a friendly environment for students to practice language and provide opportunity for developing language, communication and speaking skills. An effective speaker can make an inevitable impact on the listeners. We also train students to become efficient orators by conducting competitions like extempore, elocution, declamation, and many. We also enhance students on English/Tamil knowledge by conducting quizzes, debates and more. We make them confident, proficient and fluent speakers of the future. Furthermore, we educate students on the magnitude conversing through their own language.

## **G.K CLUB**

**“Pave way for curiosity  
Build knowledge  
Experience proficiency”**

With the help of the Smiles GK club we make students understand the world around them. We boost up their curiosity to learn about new things and inventions. We familiarize students about our country- India. Since our students are the future of India it is very important for the students to know the political, economic and the cultural status of India. We conduct club activities in such a way that students can explore and enjoy the variety of new areas. We conduct Quiz in various fields like literature, science, inventions, and current affairs. Such events aim towards creating awareness about the on-going events in India. The club helps in broadening the student's knowledge outside the curriculum. The purpose of the club is to make students intellectually efficient.
